

To Whom It May Concern:

The Cultural Foundation of Harrison County is now accepting applications for its Community Arts Grants for 2022. The year 2021 has been unprecedented in terms of how it has impacted our local arts and culture organizations. COMMUNITY ARTS GRANT PROJECT NARRATIVE

Please respond to the following questions in the order they appear. Number each and retype the sentences. If the questions do not pertain, then indicate with “not applicable” for your response. Please keep your responses brief.

1. In 200 words or less, explain the project, its theme, and what you intend for it to accomplish?
2. Why is there a need for this kind of project, and how will it meet that need?
3. Describe, in as much detail as possible, the timetable or schedule for the project.
4. List and give the backgrounds of the key project leaders.
5. Is the sponsoring organization tax-exempt, private organization, non-incorporated, or school affiliated?
6. How do you plan to publicize the project?
7. How will you evaluate the effectiveness of your project?
8. Will there be any materials produced by project? If yes, how will they be used during the project period and in the future?
9. Provide whatever additional information you think is pertinent to this application.

Budget

Realistically estimate how much money is needed to execute the project. The actual grant request should be for funds that are essential for the project. Sponsoring organizations should also remember that grants are awarded competitively, and as competition for limited funds increases, applications that are over-budgeted are less likely to receive support.

1. Present your grant request, and any in-kind contributions and/or additional funding sources.
2. Show your calculations used for determining the items in a spreadsheet or simple table. You may include explanatory notes justifying individual expenditures. But, simple calculations are adequate.
3. If the requested grant funds are a portion of a larger project budget, please explain specifically what the grant funds will be used for within that larger budget.
4. Include a completed W-9 form. The form can be downloaded from <http://www.irs.gov/pub/irs-pdf/w9.pdf>
